

Prophet Nuh

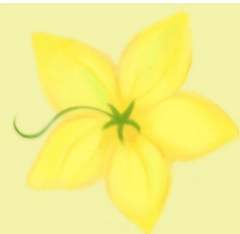

How it all started

It all began when the muslims were left stranded after prophet Idris died. people looked for guidance from pious companions of Idris. Therefore, under their lead whenever they had a problem the pious men would help them. However, eventually the pious men died, So shay tan came up with a plan and whispered into their ears "if we make statues of these riotous men, it will be more pleasing to us in our worship and will remind us of them". When that generation passed and the next came. Shaytan told them that their ancestors worshiped these statues because they gave them goodness.

The life of Nuh

The prophet Nuh replied to them by saying, "O my people! I ask for no wealth for it my reward is, from none but Allah. I am not going to drive away those who have believed. Surely, going to meet their Lord, but I see that you are ignorant people. O my people how will help me against Allah, if I drove them away? Will you not give a thought? And I do not say to you that with me are the treasures of Allah, nor that I know the unseen, nor do I say that I am an angel, and I do not say of those whom your eyes look down upon that Allah will not bestow any good on them. Allah knows what is in the inner soul. In that case I should indeed be one of those wrongdoers.

The upcoming of

The people who worshiped the idols were furious at prophet Nuh. They angrily said to Nuh, "O Nuh you have dispute with us and have prolonged the dispute with us. Now bring upon us what you threaten us with if you are of the truthful." Nuh replies, "Only Allah will bring the punishment on you, if he wills, and then you will not be able to escape. Also my advice will not profit you, even if I wish to give you counsel, if Allah wills is to keep you astray. He is your lord and to him you shall return

Preparation

Allah told prophet Nuh that a flood would come as punishment for the people who didn't believe in you so you and your must make a huge ship to prepare for the flood allah said to plant trees. Prophet Nuh planted the trees, they grew few months later then Nuh cut down the trees so he could make the ship. the companions did help Nuh a lot The ship was very big so that it could hold animals too.

There was a layer for the lion sheep deer and other animals like that, the second layer was birds, and the top was for humans. When the disbelievers saw a huge ship on the mountain they all started to laugh at nuh and his companions. Allah said the moment that water started to pour out of your stove that means that gather all your companions and the animals. get ready for the flood

The Final Flood ! :/

The heavy rain starts to fall down angry, the prophet knows what to do he call all the good believers to go to the ship Nuh gets all the pair of animals, and the birds.

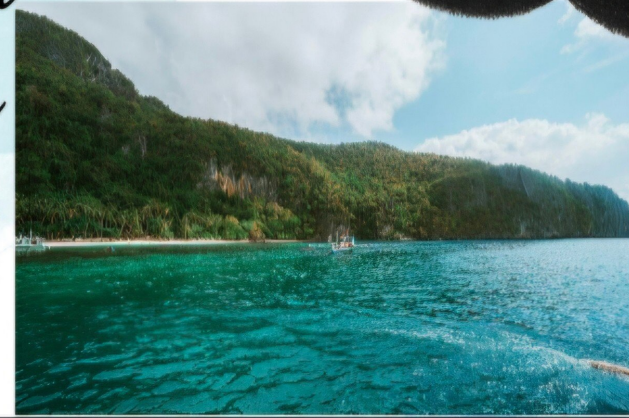

However one of his wife and son didn't want to go on the ship they said that they could save themselves on a mountain. Sadly a wave came and killed everyone on the mountain. The prophet said bismillah and the ship started to move after many days on the ark (ship) the prophet Nuh sensed a crow to find land but it never came back. Then, he sent a bird after days it came back with a olive tree branch the prophet new that he was close to land. The prophet Nuh sad bismillah and the ship stoped on mount Judi. When the prophet reached land with the animals, wife, sons and his companions he was very happy and thanked allah. !!!

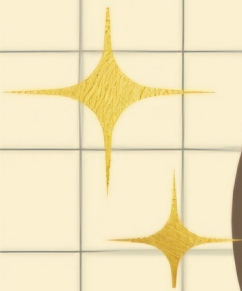

Allahs Mercy

*Finally prophet Nuh made it
to the island and the first
thing that the prophet did
was pray and thank allah for
his mercy so the people then
